Form 990 - Organization's Mission

Human Services Network, Inc., d/b/a Meals on Wheels South Florida, (the "Organization") is a 501 (c) (3) non-profit charitable organization and was incorporated on September 17, 1984, under the laws of the State of Florida.

In the beginning, the Organization was primarily founded for the purpose of contracting for Older Americans Act (OAA) senior nutrition program funding through the Florida Department of Elder Affairs, the Areawide Council on Aging and the Area Agency on Aging (AAA). This funding allows the Organization to provide nutritious meals at no cost to adults age sixty and better throughout Broward County, Florida, through the use of federal OAA Title III C-1 (congregate meal) and C-2 (home-delivered meal) funding. As additional needs/opportunities were identified, the Organization expanded programs and services to better serve the community. The OAA funding that once comprised 100% of the Organization's annual budget is now less than 68% of the annual operating budget. Other programs that have been developed include: 1) Meals for Medicaid Managed Long Term Care clients, begun in the early 1990's and changed by the State in 2013 to a privately contracted service with managed care providers; 2) Meals for Companion Pets program, begun in 1999 and continues to be completely volunteer and donation driven; 3) Meals to Broward Homebound Partnership clients with disabilities, 2006-2011; 4) Complete Cuisine, a paid home-delivered gourmet meal program, begun in 2006; 5) the Volunteer Shopping Program, begun in 2006; 6) Senior Health NOW health education and wellness program, 2010-2012; 7) the Summer Break Spot child nutrition program, begun in 2014; 8) The Chefs for Seniors Program, begun in 2017; and 9)

independently funded meal programs from Community Development Block Grants (CDBG), Foundations, and Corporations that are designed to provide meals to targeted communities, community sectors, Holocaust survivors, and individuals who would otherwise be stranded on the waiting list for federally-funded home-delivered meals. These programs have facilitated a broader and deeper community presence and ability to meet the needs of a more diversified cross section of the community. Furthermore, the diversified funding streams, including foundations, grants and individual contributions, has helped to ensure the strong financial stability of the Organization, which is now somewhat less vulnerable to the impacts of potential cuts to OAA funding at the federal level. In June of 2016, the Organization re-branded to follow the national trademark and changed our name from Broward Meals on Wheels to Meals on Wheels South Florida, understanding that we now serve clients in the larger South Florida tri-county area through these additional programs and services. An extremely dedicated volunteer workforce of more than 600 volunteers forms the heart and the backbone of the programs and services of Meals on Wheels South Florida. Only through the caring efforts of these committed volunteers and the dedicated staff of 24 full time and 21 part time employees is the Organization able to serve 10,000 senior clients and 20,000 children each year with compassion and dignity across all of South Florida.

The Coronavirus Pandemic brought many challenges and changes to the Organization and to all that the Organization serves. On March 13, 2020, the Organization closed all 34 of the congregate meal sites in an abundance of caution to protect clients, volunteers and staff from COVID. Within 2 days, all congregate meal clients were converted to home delivery. The huge spike in demand for home delivered meals from the stay-at-home orders

and shutdown demanded swift and effective intervention. In response to this crisis, the Organization was able to increase the number of home delivered meal clients 300% within days. What was initially thought to be a limited shift in operations, turned into a fundamental change that has yet to be determined implications for the foreseeable future. Funding for home delivered meals poured in from federal aid through Families First and Cares Act sources, private donations, and a huge swelling of support from new and existing partnerships with cities, foundations, and grant makers. Operationalizing the funding and maintaining accounting, delivery, and reporting systems became extremely complex and challenging. The Organization was able to successfully navigate this uncharted landscape as it continuously turned and twisted. Over 50% of volunteers held to their delivery routes with their deep commitment to their clients. The office never closed. Even when staff and their friends and families were battling with COVID, the Organization rose to tackle the new obstacles and challenges in being the lifeline for those served in these frightening and unpredictable times. The Organization successfully bolstered operations against all that COVID had to throw the Organization. The Organization pivoted to be able to work remotely. The Organization generated resources to provide personal protective equipment to all staff, volunteers, and clients for over a year. The Organization created operational, fiscal, and administrative policies, procedures and systems virtually overnight to keep step with the fast-changing pandemic response. Perhaps most of all, the Organization learned how strong, capable, resourceful, and resilient we really are.

As the Pandemic morphs into 2021 and beyond, the Organization is stronger
